

Hello! I'm Stacey Sawyer from the *The Distinguished Bag Lady*. You may select from our pre-designed, off-the-rack totes and handbags, or use your imagination to kick-start the next big rave! That's what makes us *distinguished* – you design the bag with your own personal touch.

The Distinguished Bag Lady hand picks quality materials in shaping the pre-designed bags you see in our brochure, on the web or that special bag you'll design for yourself.

If there is a fabric that strikes your fancy, but you don't see it in our fabric line, let us know. We will gladly shop until we find what is special to you!

Also, ask about our unique jewelry and beautiful wedding bags – perfect for the bride to be and her attendants.

Visit us on our web site or give us a call. *The Distinguished Bag Lady* designs fashion and fun – just for you!
