

# Want to Make Someone Feel Extra Special?

Whether you're bowling or not, if you have a special adoption you would like to recognize, we would like to help! In return – you will be helping light the torch for adoption!

For a donation of \$250 (for each adoption you are celebrating), we will give special recognition to both the donor and the honoree in the bowling event program.

If you would like to participate, enclose a check for \$250 made payable to the Gift of Adoption Fund. If you would like to pay by credit card, complete the information on the enclosed return envelope.

Please fill out the following and include this form with your payment:
