## PROJECT GENESIS UPDATE

- One day of the quarterly manager/director retreat (January 24) was dedicated to Project Genesis. We discussed draft plans for training, power users, and cutover, among other topics.
- The CPOE team, which is a Project Genesis physician work team, and the Care Set team, which reviews the care sets, teed off in the month of January. Reporting also teed off in January and testing tees off in February.
- PG teams are currently working toward the completion of milestone five, due March 17.

Keep an eye out for more on Project Genesis as the “tour” starts to gain speed in the next few months.
