

## Kids Corner

- Pediatric tours are available every Wednesday from 3:00 to 4:00 p.m. We recommend this "hands on" approach for all children under the age of 12. Register by calling **(248) 858-6700**.
- Parents should bring formula or bottle to give their infant after surgery.
- Bring a small toy or blanket for your child if this will be of comfort.
- Persons less than 18 years of age must have a parent or legal guardian with them to sign forms.
- A parent must stay with their child before and after surgery. One parent must be present in the surgery waiting room while your child is apart from you. (Please DO NOT bring other children on the day of surgery.)
