Kathleen Salvatore, MD

Clinical Assistant Professor

Diplomat, American Board of Psychiatry & Neurology

I am the only board certified female psychiatrist in private practice in Cameron County. I provide comprehensive evaluations and medication to patients of all ages. I am also available for consultations. A healthy, happy, productive patient is my greatest satisfaction.

A Special Kind of Care

My years of experience and affiliation with The University of Texas Health Science Center at San Antonio as Clinical Assistant Professor has proven to be a winning combination. You also have the convenience of knowing the most comprehensive health care service is right in your neighborhood.
