

A Special Kind of Care

**Kathleen
Salvatore, M.D.**

**Clinical Assistant
Professor –
University of Texas
Health Science
Center, San Antonio
Diplomat, American
Board of Psychiatry
and Neurology**

Welcome to Tranquil Minds

I sincerely appreciate the opportunity to be your psychiatrist and partner in caring for your mental health.

I provide comprehensive psychiatric evaluations and medication to patients 16 years and older.

My continuing affiliation with The University of Texas Health Science Center at San Antonio has proven to be a winning combination.

A healthy, happy, productive patient is my greatest satisfaction.

Education

Dr. Salvatore earned her Bachelors of Science degree followed by a Master's degree in Biology from the University of Houston. She then attended medical school at The University of Texas Health Science Center, Houston. Residency training in Psychiatry took her to UTMB, Galveston.

Dr. Salvatore is board certified by the American Board of Psychiatry and Neurology and is a member of the American Psychiatric Association, Texas Medical Association, Texas Society of Psychiatric Physicians and Cameron-Willacy County Medical Society.

Benefits for Patients

- Tranquil Minds is a psychiatric medicine practice caring for late adolescents, young adults, adults and elderly individuals.
- Patients will always be seen at their appointment by the physician.
- Patients will have ready access to in-patient and out-patient services.

Appointments

Patients are seen by appointment, 9 a.m. - 6 p.m., Monday through Friday. If you cannot keep your appointment, please call with at least 24 hours notice so this time may be given to other patients.

Insurances

Tranquil Minds participates in and accepts most insurance plans including Medicare and Medicaid. Please call the office for more information.

Prescriptions

Patients should bring all medications (prescription and non) to each visit. Prescription refills will be reviewed at your appointment.

Confidentiality

Tranquil Minds adheres to the Health Insurance Portability and Accountability Act (HIPAA) requirements. Patient confidentiality and privacy are strictly maintained.

Emergency Care

In an emergency, call 911 or go to the nearest hospital emergency room. If you feel the situation is in control but occurs while the office is closed, call (956) 412-2700. You will receive a response as quickly as possible.
